## US 41 Project lane closures for March 17 – March 21

*Traffic restrictions in Brown and Winnebago counties*

(Green Bay) The Wisconsin Department of Transportation (WisDOT) Northeast Region office in Green Bay is announcing US 41 Project lane restrictions for March 17 – March 21 in Brown and Winnebago counties. Drivers should be aware of 11-foot wide lanes and reduced speed limits in both counties and remember to use caution while traveling through any work zone. Details of all closures are included below.

### Brown County

#### US 41

Drivers should anticipate various overnight single lane closures on southbound and northbound US 41 along the entire Brown County corridor from south of Scheuring Road to Lineville Road. Lane closures can vary along the corridor, so drivers are urged to stay alert, pay attention to road signs, slow down and use caution when entering any work zone. The US 41 Project plans to have at least one lane of traffic open at all times on both northbound and southbound US 41 during construction. This does not include closures by local authorities for accidents or unusual incidents (such as weather).

#### US 41 Auxiliary Lanes

Starting this week, the auxiliary lanes on northbound and southbound US 41 between the WIS 172 interchange and the Lombardi Avenue interchange will **CLOSE** for the remainder of the 2014 construction season. Motorists should be aware that they will now merge directly into US 41 traffic when accessing US 41 from the 172 and Lombardi on-ramps.

Drivers can expect multiple ramp closures on US 41 at WIS 172 and Lombardi intersections. The following closures will take place:

## **Tuesday**

- Northbound US 41 off-ramp to Lombardi avenue will be closed overnight from 7 p.m. to 6 a.m.

  - Traffic seeking WIS 172 will be detoured south to Oneida Street, follow Oneida Street east to northbound US 41 and take northbound US 41 to WIS 172

## **Thursday**

- Southbound US 41 off-ramp to WIS 172 will be closed overnight from 8 p.m. to 6 a.m. with the following detour:
  - Traffic seeking WIS 172 will be detoured south to Oneida Street, follow Oneida Street east to northbound US 41 and take northbound US 41 to WIS 172
- Southbound US 41 on-ramp from Lombardi Avenue will be closed overnight from 7 p.m. to 6 a.m.

## **WIS 172 long-term ramp closure**

The WIS 172 eastbound to US 41 northbound ramp is closed until late spring.

- Eastbound WIS 172 traffic wanting to exit to northbound US 41 will take WIS 172 east and exit at Ashland Ave/Vanderperren Way, take Vanderperren Way west to Holmgren Way, take Holmgren Way north to Pilgrim Way, and follow Pilgrim Way east to the WIS 172 westbound entrance ramp. Then follow WIS 172 west to US 41 North.

## **I-43 and Velp interchange**

The following ramps will be closed:

- Northbound US 41 on-ramp from Velp Avenue will be closed on Monday from 6 p.m. to 6 a.m. with the following detour:

## **Winnebago County**

### **US 41**

## **Outagamie County**

### **US 41/WIS 47**

Motorists should anticipate backups at this location, overnight, Tuesday and Wednesday. Please use caution and remain alert to signing directions. There will be lane closures on US 41 at the US 41/WIS 47 (N. Richmond St.) interchange in Outagamie County OVERNIGHT from 9 p.m. to 5 a.m. Monday, March 17, Tuesday, March 18 and Wednesday, March 19.
